Subject: <u>Notice of Intention to Conduct Small Mining Operations, Gary Hansen,
Black Magic Mine, S0190062, Task 1626, Grand County, Utah</u>

Dear Mr. Hansen:

Enclosed with this letter is a revised Notice of Intention to Commence Small
Mining Operations (NOI) which would potentially replace the NOI the Division
received August 16, 2006, and revised by submittals received October 4 and
November 22, 2006. The NOI has been revised based on information provided in
telephone conversations with you and with Frank Bain of the Moab BLM office.
Additionally, this NOI would replace your existing exploration notice (E0190055),
and maps from the exploration notice would be included in the new small mine
notice.

A total of three acres would be disturbed. Of this, one acre has already been
disturbed and regraded under your exploration notice. The additional two-acre area
has been marked in the field and is shown on the map the Division received
November 22, 2006.

Please examine the form, make any needed revisions, sign it, make a copy for
your records, and return it to the Division.

The surety amount that has been determined in cooperation with the BLM is
$8700.00 of which you have already posted $4000.00. Please contact Beth Ericksen
for information about increasing the surety. She can be reached by telephone at 801-
538-5318 or by e mail at bethericksen@utah.gov.

Thank you for your cooperation. If you have questions about this letter, please call me at 801-538-5258 or Paul Baker at 801-538-5261.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
